**Subject:** Correction to Chairman Roberson's planned motion

Henry-

After reviewing the motion that Chairman Roberson plans to make at the 1PM hearing today, we realized that page 3 contains an inaccuracy when referencing the rate that Southridge customers will pay once the East Montgomery lagoon is placed into service. The \$55.36 rate that was approved in Docket 06-00184 included the base lagoon rate coupled with the additional charge for loan amortization and land lease costs. Once formal approval of the new rates goes into effect, the lagoon rate will increase by \$8.29, causing the East Montgomery service rate to move to \$63.65. Let me know if you need any additional information on this matter.

Thanks,

**Matt Pickney**
