² Embarq's subsidiaries provide service in the following states: Florida, Indiana, Kansas, Minnesota, Missouri, Nebraska, Nevada, New Jersey, North Carolina, Ohio, Oregon, Pennsylvania, South Carolina, Tennessee, Texas, Virginia, Washington, and Wyoming. network services. Through its subsidiary, Embarq Payphone Services, Inc., Embarq offers payphone services in various parts of the United States.

CenturyTel, a Louisiana holding company, conducts its business operations principally through subsidiaries offering communications, high-speed Internet, and entertainment services in small-to-mid-size cities through its copper and fiber networks.³ CenturyTel operates in 25 states and provides local exchange services over roughly two million telephone access lines and high-speed Internet connections to approximately 630,000 subscribers.⁴ CenturyTel's offerings include long distance services, cable television services, satellite television services, Internet Protocol Television (IPTV) service, and wireless services. CenturyTel also provides services as a competitive LEC, along with other communications and business services. CenturyTel operates a fiber network that provides wholesale and retail fiber-based transport services to customers in the central United States. Cajun Acquisition Company (CAC), a Delaware corporation, is a direct wholly-owned subsidiary of CenturyTel created to facilitate the transaction's consummation.

On October 26, 2008, Embarq, CenturyTel, and CAC entered into an Agreement and Plan of Merger (Merger Agreement). In accordance with the terms of the Merger Agreement, Embarq and CAC will merge, with Embarq becoming the surviving corporation and CAC ceasing to exist.⁵ The transaction will entail exchanging 1.37 shares of CenturyTel stock for every share of Embarq common stock. As a result of the transaction, Embarq will become a direct, wholly-owned subsidiary of CenturyTel.⁶ Applicants state that CenturyTel plans to refinance certain indebtedness at closing, but no additional debt related to the merger is contemplated.

SECTION 214 AUTHORIZATIONS

The following applications for consent to the transfer of control of section 214 authorizations to CenturyTel have been assigned the file numbers listed below.

A. International

<u>File No.</u>	<u>Authorization Holder</u>	<u>Authorization Number</u>
ITC-T/C-20081126-00516	Embarq Communications, Inc.	ITC-214-20050816-00337
ITC-T/C-20081126-00517	Embarq Communications of Virginia, Inc.	ITC-214-20050816-00336

B. Domestic

³ A list of CenturyTel subsidiaries with domestic 214 authority is attached as Exhibit 2 of the application.

⁴ CenturyTel's subsidiaries provide service in the following states: Alabama, Arkansas, Colorado, Georgia, Idaho, Illinois, Indiana, Iowa, Kansas, Louisiana, Michigan, Minnesota, Mississippi, Missouri, Montana, New Mexico, North Carolina, Ohio, Oklahoma, Oregon, Tennessee, Texas, Washington, Wisconsin, and Wyoming.

⁵ Embarq will be the surviving corporation but will adopt the By-Laws and Certificate of Incorporation of CAC.

⁶ Applicants state that the stockholders of pre-transaction Embarq are expected to own approximately 66% of post-transaction CenturyTel, and the shareholders of pre-transaction CenturyTel are expected to own approximately 34% of post-transaction CenturyTel. The post-transaction CenturyTel board will be composed of eight CenturyTel-appointed directors and seven Embarq-appointed directors.

Applicants filed an application for consent to transfer control of Embarq to CenturyTel. Applicants assert that this transaction is entitled to presumptive streamlined treatment under the Commission's case-by-case approach.⁷ In light of the multiple applications pending before the Commission with respect to this transaction and the public interest review associated with them, we conclude that Applicants' domestic transfer of control application is not subject to streamlined treatment.
