RE: In the Matter of the Application of Everycall Communications Inc. d/b/a Local USA
d/b/a All American Home Phone for Designation as an Eligible Telecommunications
Carrier (ETC), Docket No. 09-00003

Dear Mr. Steinhart:

To complete the review of the above docket filed on behalf of Everycall Communications Inc. d/b/a Local USA d/b/a All American Home Phone (Everycall) additional information and/or clarification as indicated below is needed.

1. Everycall has provided copies of its advertisements: however, Everycall still needs to provide copies of specific advertisements for Lifeline services and prices and describe the means used, or Everycall's plans for the distribution of this advertisement demonstrating that the information will reach those most likely to qualify for the service.
2. Rather than COLR obligations referring to serving one customer that cannot otherwise obtain service as stated by Everycall, the COLR obligation refers to an ETC assuming or being directed to serve a specific area where the incumbent has relinquished that area. Therefore, describe Everycall's contingency plans for assuming this obligation.
3. Provide the contact information for Everycall's third party vendor contracted to handle reporting to the Universal Service Administration Company and describe the procedures, with appropriate examples, referred to in Everycall's response to the first request for information.

This information should be provided no later than 2:00 p.m. on November 9, 2009, with reference to Docket No. 09-00003 on the response. In accordance with Authority rules submit either (1) thirteen written copies of your response or (2) four written copies and an electronic version. Should you have any questions regarding this request, please contact Helen Trimble-Anthony ext 174 or Lewis De Board at (615) 741-2904, ext. 219.

Sincerely,

Dal / A For Darlene Standley
