Tennessee Telephone Service, LLC Responses

1. See attached Excel spreadsheet.
2. Enclosed are copies of Freedom Communication's most recent LifeLine publications. We incorporate a variety of ways in which this information is distributed.
 - A} **Walk-In Clients:** Our service offerings are available to walk-in traffic. Lifeline information is provided in our lobby for local walk-in clients.
 - B} **Mail-Outs:** We work with a consultant who manages our Lifeline mail-out program. The majority of our mailings are to government agencies within the state. A database of the agencies we mail to is maintained with additional, updated materials being sent out on a six-month rotating basis.
 - C} **Personal Distribution:** We have personally distributed materials to Career Centers and provided materials to be distributed with packages given out at Career Center fairs.
 - D} **Public Common Areas:** We have distributed Lifeline materials in areas frequented by the public including libraries, Laundromats, grocery stores, rent-to-own locations, and YMCA facilities.
3. Freedom Communications will pass on to the qualified end users the \$10.00 Lifeline subsidy that it will request from USAC from the Low Cost Fund and contribute additional \$3.50 to the end users as a qualified ETC for a total Lifeline subsidy of \$13.50 per month in the State of Tennessee. Also Freedom Communications will pass on \$30.00 in Linkup subsidy that it will request from USAC from the Low Cost Fund for any qualified end users requesting service for the first time at any name /address combination.
4. Freedom will provide a report that breaks down our Lifeline customers by carrier and also a companion report from the carriers which will show every Lifeline credit received from these carriers.
5. Freedom has contacted Mr. John Hutton and submitted March 2009, April 2009 and May 2009 Wireline Activity Reports as required on June 17, 2009. Freedom is now compliant with the Authority and this can be verified via Mr. John Hutton at john.hutton@state.tn.us.
