RE: Docket No. 09-00025, *Application of Entelegant Solutions, Inc. for Certificate to Provide Facilities-Based Competing Local Exchange and Interexchange Telecommunications Services in Tennessee*

Dear Mr. Roesel:

I am sending this letter to advise you that the Application filed by Entelegant Solutions, Inc. ("Entelegant") with the Tennessee Regulatory Authority ("TRA" or the "Authority") on February 19, 2009 remains incomplete. Further, the lack of response by Entelegant to the request for information sent on February 23, 2009 prevents this matter from proceeding to hearing. In light of the incomplete status and lack of communication by Entelegant, the Authority must consider closing this docket file.

Therefore, inasmuch as there has been no activity in Docket No. 09-00025 for several months, you are requested to advise the Authority of any reason why this docket should remain open. Please respond within seven (7) days of the date of this correspondence, directing your response to the attention of our Dockets Manager, Sharla Dillon, and referencing Docket No. 09-00025. This letter shall serve as notice that, if a written response is not received by the close of business on June 10, 2009, Docket No. 09-00025 will thereafter be promptly closed.

Sincerely,

Kelly Cashman-Grams
Hearing Officer
