All of the following items will be sent in overnight mail tomorrow. We are just waiting on the sworn statement.

1. An informational tariff that sets forth the rates, terms and conditions under which EnTelegent Solutions, Inc. will offer services in Tennessee.
2. A sample bill.
3. A bond or letter of credit pursuant to Tenn. Code Ann. § 65-4-125(j).
4. Will local services be provided to residential or business customers? Does the company also intend to offer long distance services?
5. In regard to the "Business Development Income" obtained in January 2009, provide further information as to the source of this funding, proof of its existence and the terms under which the amount was granted.
6. A sworn statement from an officer of the company that the company will comply with all state and federal laws, rules and regulations imposed on competing local exchange carriers.
