Dear CommuniGroup Customer,

We would like to take this opportunity to thank you for being our customer. We value your trust and confidence in our products and services and appreciate your loyalty.

Effective January 1, 2009, CommuniGroup will change its name to TEC. TEC has been the parent company of CommuniGroup since its inception in 1982. This change in our public presence gives CommuniGroup a larger, more encompassing position to serve you – with the same dedicated customer care that we offer today. By marketing our products and services as TEC, we will continue to benefit from technology and services provided by different subsidiaries within the TEC family.

TEC is a strong, privately held company dedicated to providing the highest quality, technological products with a personal touch. TEC provides communication services to thousands of customers throughout the Southeast. TEC's history dates back to 1923 as a rural telephone company in the small town of Bay Springs, Mississippi.

We are proud of our history in the communications industry, and we are thankful to serve you as a customer. We look forward to continued growth, improvement, and new technology. And we plan always to serve you with dedicated customer care and quality service.

So know that the people, products, and relationships you have developed with CommuniGroup will remain the same. We simply are transitioning our name, to move our company into the future.

Again, thank you for being our customer, and if any of your communication needs change remember to call TEC.

Sincerely,

A handwritten signature in blue ink, reading "Chris Chelette".
