TENNESSEE WASTEWATER'S PROPOSED ISSUES LIST

Tennessee Wastewater System submits the following issues list in the above-captioned docket:

1. Whether the construction of a wastewater treatment system by an entity other than (a) a certificated wastewater utility, or (b) an entity operating under the inspection, supervision, and control of a certificated wastewater utility violates T.C.A. §65-4-201.
2. Whether the issues raised by the use of affiliates by regulated wastewater utilities are different in kind or degree from the issues raised by the use of affiliates by other regulated utilities.
3. Whether the TRA presently has sufficient rules, policies, and precedents concerning the operations of regulated entities and their affiliates in order to carry out the agency's regulatory responsibilities.
4. Whether this proceeding to establish agency policy concerning the use of affiliates in the wastewater industry should be a contested case or a rulemaking.

Respectfully Submitted,
