RE: Docket No. 09-00035, Application of Twin Lakes Communications, Inc. for a
Certificate of Public Convenience and Necessity to Provide Intrastate
Telecommunications Services Statewide

Dear Ms. Standley:

On April 1, 2009, you requested an informational tariff and an intralata toll dialing parity plan from Twin Lakes Communications, Inc. We are working diligently to get that information for the Authority, but we will not be able to provide it by April 15. We request a extension on the deadline until April 27; although, it is our hope that we will be able to provide the information to the Authority sooner than that.

Thank you for your assistance.

Sincerely,

Sarah Lodge Tally
