RE: *Application of Twin Lakes Communications, Inc. for a Certificate of Public Convenience and Necessity to Provide Intrastate Telecommunications Services Statewide*
TRA Docket No. 09-00035

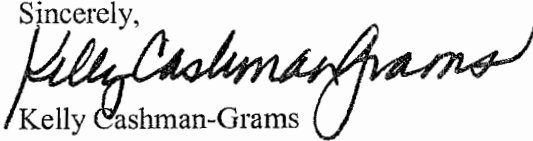

Dear Mr. Malone and Ms. Tally:

This letter is to advise you that the application filed on behalf of Twin Lakes Communications Inc. ("Twin Lakes") with the Tennessee Regulatory Authority ("TRA" or the "Authority") on March 12, 2009, remains incomplete. The lack of response by Twin Lakes to the TRA Staff's April 1, 2009 request for information, despite Twin Lakes request to extend the time in which to file its response to April 27, 2009, prevents this matter from proceeding to hearing.

Therefore, inasmuch as there has been no activity in Docket No. 09-00035 for several months, we request that Twin Lakes submit its responses to all pending data requests within seven (7) days of the date of this correspondence. In the event that Twin Lakes is unable or unwilling to comply with this request within the time specified, please inform the Authority of any reason why this docket should remain open. This letter shall serve as notice that, if a written response is not received by the close of business on **September 8, 2009**, Docket No. 09-00035 will thereafter be closed.

In accordance with TRA Rules, submit either (1) thirteen written copies of your response or (4) four written copies and an electronic version to the TRA Docket Room, Attention Sharla Dillon, Dockets Manager, at the address listed below. In order to facilitate the timely and efficient filing of your response in the docket file, make sure to reference Docket Number 09-00035 on all filings.

Sincerely,

Kelly Cashman-Grams
Hearing Officer
