Cartwright Creek Supplement

On September 28, 2009, Cartwright Creek filed the "Response to TRA Staff Comments of September 9, 2009 Status Conference". In a response to a TRA staff question on the bottom of page 2, Cartwright Creek explained that it had just obtained water use data for its commercial customers and that it would take approximately two weeks to sort, resolve discrepancies, and organize for submittal to TRA.

The detailed commercial customer flow data by customer from 2007 through June 2009 is attached as a confidential submittal (Attachment A).

The total water use for Cartwright Creek commercial customers is:

2007: 8,753,500 gallons

2008: 9,861,200 gallons

2009 (Jan-June): 4,498,100 gallons

Annualized average: 9,245,100 gallons
