Good Afternoon Ms. Stanley,

Thank you for the update - I appreciate your continued communication with the Company. With the September Conference deadline approaching, I wanted to follow up to see if there have been any new developments or an estimated timeline for the termination of the ICA.

I have looped Javier in so that we are all aligned, and in case AT&T has any updates to share as well.

To ensure this matter is included on the September agenda, we will need confirmation of the terminated agreement by Friday, August 28th. If that timeframe becomes too tight, we can certainly plan to place the item on a subsequent Conference agenda instead.

Thank you both for your assistance. Please let me know if you have any updates or if anything further is needed from Commission Staff.

Sincerely,

Hi, Grace.

The company has been in touch with AT&T, and I believe AT&T was going to forward to Staff an email regarding the matter. I'll reach out again to check on the status.

Good Morning Ms. Stanley,

I wanted to follow up on this matter and ask whether you are aware of a timeline for the Company's cancellation of the interconnection agreement.

Staff's deadline for the September Conference agenda items is quickly approaching, and for the Company to be included on the agenda, we need confirmation of the terminated agreement no later than Friday of this week. Otherwise, the cancellation may need to be placed on a subsequent Conference agenda.

Thank you again for your assistance and any additional information, as this helps us plan our working timelines. Please let me know if you have any updates or questions.

Sincerely,
