RE: Docket No. 09-00081, *Application of CoreTel Tennessee, Inc. for Certificate of Public Convenience and Necessity as a Competing Telecommunications Service Provider*

Dear Mr. Walker:

CLEC applicants are required, by statute, to demonstrate their managerial, financial and technical abilities to provide the services for which they seek authority. To assist the Authority in its review of CoreTel Tennessee, Inc.'s application for Certificate of Convenience and Necessity to provide competing telecommunications service provider in Tennessee, you are requested to provide the following information:

1. A signed verification page for the application.
2. A signed and dated certificate of service indicating all eighteen incumbent local providers have been notified of the filing.
3. A signed verification page for the pre-filed testimony submitted with the application.
4. Will CoreTel, Tennessee, Inc. provide customers with white page directory listings, access to 911 emergency services, free blocking for 900/976 calls, access to the telecommunications relay center, Lifeline and Link Up and educational discounts existing on June 6, 1995?
5. A signed Small and Minority Owned Business Participation Plan.
6. The name and telephone and fax numbers of the person responsible for responding to TRA inquiries.
7. Exhibit D was missing from the original filing. Provide the information that was to be contained in exhibit D.

Please provide the above information by July 6, 2009. In accordance with TRA Rules, please submit either (1) thirteen written copies of your response or (2) four written copies and an electronic version and reference Docket No. 09-00081 on the correspondence. If you have questions concerning this request or need additional information, please contact Lisa Foust at 615-741-2904 extension 220.

Sincerely,

  
Darlene Standley  
Utilities Division Chief
