DOCKET: 09-00083

IN RE: *Petition of BellSouth Requesting Relief from Paying Fines
Associated with Reposting SQM Performance Data*

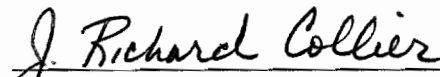

DATE: July 17, 2009

On June 11, 2009, BellSouth Telecommunications, Inc. d/b/a AT&T Tennessee ("AT&T") filed a *Petition Requesting Relief from Paying Fines Associated with Reposting SQM Performance Data* ("Petition"). In the *Petition*, AT&T states that it had discovered a coding error which resulted in information related to performance data being improperly posted under the Self-Effectuating Enforcement Mechanisms ("SEEM") plan. AT&T asserts that all SEEM remedy obligations and liability calculations were properly posted and therefore no CLECs were harmed by the administrative error.

At the July 13, 2009 Authority Conference, Chairman Sara Kyle, Director Kenneth C. Hill and Director Mary W. Freeman, the voting panel assigned to this docket, voted to permit interested parties to file in this docket comments to AT&T's *Petition*. The panel determined that interested parties should have twenty (20) days to file such comments.

As such, all interested parties shall file comments in the above-referenced docket regarding the *Petition* filed by AT&T no later than **2:00 p.m., Monday, August 3, 2009**.
