**Re: Tennessee American Water Company's Management Audit
Docket No. 09-00086**

Dear Chairman Freeman:

Enclosed please find the original and four (4) copies of a DVD entitled "Tennessee American Water Company – Docket 09-00086 – Schumaker & Company – Non-Confidential Working Papers". These DVDs are a replacement for the DVDs provided in this docket on September 10, 2010. It has been discovered that the disks originally produced in this docket contained some confidential material which should not be placed in the public record of this docket or on the TRA's website. Please return to me by way of our courier the three remaining DVDs that were originally filed on September 10, 2010.

Please file the original and four copies of this request letter and stamp the additional copy as "filed". Then please return the stamped copy to me by way of our courier.

Should you have any questions concerning this matter, please do not hesitate to contact me at the email address or telephone number listed above.

Sincerely,

David Killion
