**Re: Multi-State Management Audit of American Water Company, Inc. and  
It's Subsidiaries**

Dear Chairman Roberson:

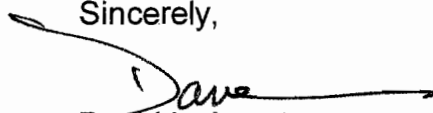

Thank you for your letter of recent date concerning the above matter. We have a current matter open with Kentucky American Water Company particularly as it regards a new pipeline going through Fayette County and several other central Kentucky counties. I have asked my staff to review all matters concerning KAWC in order to determine similar issues you present in your correspondence.

I will contact you following this examination

I look forward to seeing you in Seattle at NARUC.

With every warm personal regard, I remain

Sincerely,

  
David L. Armstrong  
Chairman
