Dear Mr. Umbach,

Re: Request For Proposal

Tennessee-American Water Company ("TAWC") is providing you a Request For Proposal ("RFP") for a management audit of American Water Works Service Company ("AWWSC") on behalf of TAWC. The Tennessee Regulatory Authority ("TRA") required this audit in their Order in Docket No. 08-00039 issued on January 13, 2009. The Company is also providing the excerpt from the TRA order concerning management fees and the Audit addressed in this RFP for your review. The issue of management fees and management audits of AWWSC have been an on-going issue in the last two TAWC rate cases and we are also providing with this letter the previous studies of TAWC management fees performed by Baryenbruch & Company, LLC and Booz Allen Hamilton for your review. The response to this RFP is to be submitted by September 18, 2009 to:

Tennessee-American Water Company
1101 Broad Street
Chattanooga, TN 37401

Also provide a copy of your Response to the Project Coordinator at:
