***Re: tw telecom of tennessee llc—Ad Valorem Tax Equity Payment  
Docket No: 09-00106***

Dear Chairman Kyle:

**tw telecom of tennessee llc** ("twtc") primarily provides services to its customers pursuant to the terms of special contracts. By way of discounts to its regular tariffed rates or "special contract" rates, twtc has implemented procedures to return the benefit of the referenced statutory tax equity payment to its business customers.

In accordance with its past practices, twtc has or will offer certain products and services at reduced rates adjusted to apply to monthly recurring charges and nonrecurring charges offered to twtc business customers during the period October 1, 2009 through September 30, 2010. The total of all price adjustments for this period exceeds the total equity payment received earlier this year of \$196,883.90, by a total sum of more than 10%. The reduced or discounted rates to business customers is calculated on a customer by customer basis and records are maintained by twtc for the period required by applicable regulations.
