RE: In the Matter of the Application of Lifeconnex Telecom, LLC for
Designation as an Eligible Telecommunications Carrier (ETC),
Docket No. 09-00109

Dear Mr. Steinhart:

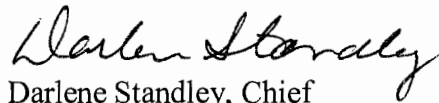

To complete the review of the above docket filed on behalf of Lifeconnex Telecom, LLC (Lifeconnex) additional information and/or clarification is needed.

1. Identify by each rate center listed in Lifeconnex's application, the number and type (residential or business) of lines currently being served and whether services are provided by resale or by leased UNEs.
2. Other than Lifeconnex's web site, identify and provide copies of Lifeconnex's Advertisements including advertisements for Lifeline services, such as newsprint, fliers, posters etc., and provide details on how and where the advertisements are distributed to Tennesseans, especially to those most likely to qualify for lifeline services.
3. Does Lifeconnex offer services to customers other than Lifeline customers? If so, provide the connection charge and basic service monthly recurring charges for these customers.
4. Provide specific information regarding what benefits and/or enhance services Tennessee consumers may realize by subscribing to Lifeconnex's services.
5. If switching is obtained from another carrier by lease, what are Lifeconnex's transition plans for facilities-based switching, if any?

6. Describe Lifeconnex's plans for demonstrating to the Authority that for those Lifeline customers served via resale of another carrier's services, Lifeconnex is not receiving the federal universal service Lifeline credit from the serving company and filing for credit with the Universal Service Administration Company.
7. Outline Lifeconnex's plans for ensuring its customers continue receiving telecommunications services should AT&T- Tennessee relinquish a particular service area that result Lifeconnex's assumption of the Carrier of Last Resort obligations referred to in paragraph 13 of the ETC Application.
8. During the ongoing review it is noted that Lifeconnex does not have any Wireline Activity Reports on file with the Authority. In accordance with the requirements established in Authority Docket No. 97-00309, Lifeconnex is required to file a Wireline activity Report monthly. Submit a copy of Lifeconnex's most recent report with Lifeconnex's response. To obtain information concerning this report contact Mr. John Hutton at john.hutton@state.tn.us.

This information should be provided no later than 2:00 p.m. on February 26, 2010 with reference to Docket No. 09-00109 on the response. In accordance with Authority rules submit either (1) thirteen written copies of your response or (2) four written copies and an electronic version. Should you have any questions regarding this request, please contact Helen Trimble-Anthony ext 174.

Sincerely,

Darlene Standley, Chief
Utilities Division
