This letter is to request the transfer of 80 payphones from Smoky Mountain Communications to Tennessee Payphone Services, Inc. This transaction will enable us to operate more efficiently by adding more phones in our existing areas. This will allow us to continue to provide payphone service to some locations that would be taken out due to low revenue otherwise. As many payphones continue to be removed because of the steady decrease in usage, it's getting harder and harder for the public to find a phone to use. By taking measures to operate more efficiently, we can continue to provide payphones and an important resource to the public's best interest.

Sincerely,

Jeff Church – President
