**In Re: Application of Comcast Cable Communications Management, LLC, a Delaware Limited Liability Company, on Behalf of Its Affiliates Operating Cable Systems in Tennessee which Include the Following Entities:**

Comcast of Indiana/Kentucky/Utah  
Comcast of Nashville II, LLC  
Comcast of the South

**Docket No. 09-00137**

**FIFTH AMENDMENT TO  
CERTIFICATE OF FRANCHISE AUTHORITY**

On September 15, 2009, Comcast Cable Communications Management, LLC (“Comcast”) filed its application for a state-issued Certificate of Franchise Authority pursuant to the Competitive Cable and Video Services Act (Tenn. Code Ann. § 7-59-301, *et seq.*, the “Act”). A Certificate of Franchise Authority was granted to Comcast by the Tennessee Regulatory Authority (“TRA,” now the Tennessee Public Utility Commission) on October 2, 2009.

On August 10, 2010, Comcast filed an Amendment to Certificate of Franchise Authority to supplement certain municipalities and unincorporated areas within counties to those previously described in its 2009 application. An Amended Certificate of Franchise Authority was granted to Comcast by the TRA on September 23, 2010.

On March 29, 2011, Comcast filed a Second Amendment to Certificate of Franchise Authority to effectuate an intercompany transfer of the Certificate in Docket No. 09-00024 into Docket No. 09-00137 and add certain municipalities and unincorporated areas within counties to the description of those areas to be served in whole or in part by Comcast pursuant to its

Certificate, as previously amended. A Second Amended Certificate of Franchise Authority was granted to Comcast by the TRA on April 19, 2011.

On November 22, 2011, Comcast filed a Third Amendment to Certificate of Franchise Authority to add certain municipalities to the description of those areas to be served in whole or in part by Comcast pursuant to its Certificate, as previously amended. A Third Amended Certificate of Franchise Authority was granted to Comcast by the TRA on December 12, 2011.

On March 28, 2013, Comcast filed a Fourth Amendment to Certificate of Franchise Authority to add certain municipalities to the description of those areas to be served in whole or in part by Comcast pursuant to its Certificate, as previously amended. A Fourth Amended Certificate of Franchise Authority was granted to Comcast by the TRA on April 17, 2013.

Comcast hereby files this Fifth Amendment to Certificate of Franchise Authority to add the following municipalities to the description of those areas to be served in whole or in part by Comcast pursuant to its Certificate, as previously amended:

Town of Farragut<sup>1</sup>  
City of Lebanon  
City of White House

Comcast has provided a copy of this Amendment to each of the municipalities listed above. Comcast acknowledges and will comply with all applicable provisions of the Act, including all notice, non-discrimination, and service development requirements, with respect to these municipalities to the same extent as set forth in its original application.

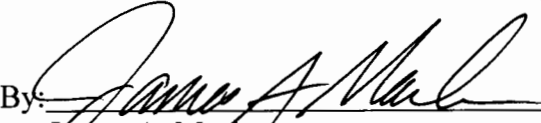

---

<sup>1</sup> The Town of Farragut was included in the TRA's April 19, 2011 Second Amended Certificate of Franchise Authority, as it was listed in the March 29, 2011 amendment filed by Comcast. The map of the service area attached to the amendment as an exhibit, however, appears to have designated only a limited area within the municipal limits. In an abundance of caution, Comcast includes the Town of Farragut in this filing and designates the jurisdiction in its entirety.

Based on the population of the areas designated above, as required by Tenn. Code Ann.  
§ 7-59-305(b)(2), Comcast hereby submits the required fee of \$500.00 with this Amendment.

Respectfully submitted,

**Comcast Cable Communications Management, LLC**
