### FIFTH AMENDED CERTIFICATE OF FRANCHISE AUTHORITY

---

On July 28, 2017, pursuant to Tenn. Code Ann. § 7-59-301, *et seq.*, also known as the Competitive Cable and Video Services Act ("CCVSA"), Comcast Cable Communications Management, LLC ("Comcast") filed with the Tennessee Public Utility Commission ("TPUC") a *Fifth Amendment to Certificate of Franchise Authority*. This amendment supplements certain municipalities and/or unincorporated areas within counties<sup>1</sup> previously described within its application filed September 15, 2009 and previous amendments thereto. As no basis for denial of the amendment under Tenn. Code Ann. § 7-59-305(i)(1) of the CCSVA has been alleged, the TPUC hereby issues the *Fifth Amended Certificate of Franchise Authority* to supplement the original *Certificate of Franchise Authority* issued to Comcast on October 2, 2009 and all amendments issued previously thereafter.

BE IT HEREBY AMENDED.
