EIGHTH AMENDED CERTIFICATE OF FRANCHISE AUTHORITY

On January 15, 2019, pursuant to Tenn. Code Ann. § 7-59-301, *et seq.*, also known as the Competitive Cable and Video Services Act ("CCVSA"), Comcast Cable Communications Management, LLC ("Comcast") filed with the Tennessee Public Utility Commission ("TPUC") a *Eighth Amendment to Certificate of Franchise Authority*. This amendment supplements certain municipalities and/or unincorporated areas within counties¹ previously described within its application filed September 15, 2009 and previous amendments thereto. As no basis for denial of the amendment under Tenn. Code Ann. § 7-59-305(i)(1) of the CCSVA has been alleged, the TPUC hereby issues the *Eighth Amended Certificate of Franchise Authority* to supplement the original *Certificate of Franchise Authority* issued to Comcast on October 2, 2009 and all amendments issued previously thereafter.

BE IT HEREBY AMENDED.

A handwritten signature in blue ink, reading "Earl R. Taylor", is written over a horizontal line.

Earl R. Taylor, Executive Director

¹ Specifically, Comcast's *Eighth Amendment* incorporates the Cities of Braden, Elizabethton, Gilt Edge, Sunbright, Warfield and Metropolitan Lynchburg/Moore County and the Counties of Carter and Marion.
