Mr. Hutton,

Per your letter concerning docket 09-00137, currently

- 1) To the best of our knowledge 0 (zero) PEG channels have been activated in our municipality.
- 2) I believe, as we understand TCA 7-59-309 that 1 (one) channel is authorized to be activated.
- 3) As best I can tell there is no fee or payment for PEG access.

If you need anything further, please let us know.

Respectfully,

Michael Solomon,  
City Administrator/CMFO
