RE: Application for State-issued Certificate of Franchise Authority
(Docket No. 09-00137)

Dear Mr. Ridall:

On September 15, 2009, the Tennessee Regulatory Authority ("TRA") received your application from Comcast Cable Communications Management, LLC ("CCCM"), on behalf of its affiliates operating in Tennessee,¹ for a state-issued certificate of franchise authority pursuant to Tenn. Code Ann. § 7-59-301, *et seq.*, also known as the Competitive Cable and Video Services Act (the "CCVSA"). Upon review, it has been determined that the application complies with the statutory requirements of the CCVSA and is therefore complete. The TRA will proceed on the application as delineated within the CCVSA.

Please disregard our previous letter to you, dated September 23, 2009, as it contained erroneous information and identified the franchise applicant as Comcast of Southern Tennessee, LLC. Should you have any questions or concerns in this matter, please contact me at (615) 741-2904 x150 or address listed above. Thank you for your interest and cooperation.

Sincerest Regards,

Lisa Cooper
TRA Programs Manager
