**Re: Comcast Cable Communications
Management, LLC**

Gentlemen:

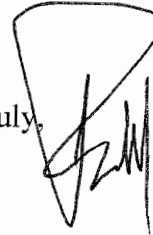

I am responding to your September 24, 2009, correspondence on behalf of the City of Friendsville. A copy of that correspondence I enclose for your convenience.

It is my understanding that the City of Friendsville receives cable service through contract with Comcast of Kentucky/Tennessee/Virginia, LLC. The number of activated "PEG" channels for the City of Friendsville is one. No other "PEG" channels are authorized to be activated.

"PEG" support from Comcast has been by way of equipment.

If you need any additional information, please advise.

Yours very truly,

RNG/dm
