MEMORANDUM

TO: Kenneth H. Hilliard, Chairman
Kenneth C. Hill, Director
Robin L. Morrison, Director

FROM: Ectory Lawless, Law Clerk, Compliance Division
Shiva K. Bozarth, Chief, Compliance Division 

DATE: November 12, 2015

REFERENCE: Reconsideration of Cancellation of Authority-IBasis Retail Inc.
Docket Number #09-00176

The Compliance Division respectfully requests that Directors reconsider the cancellation of authority of the following company for non-payment of regulatory fees:

IBasis Retail, Inc. Company ID#129079.

On October 19, 2015, the TRA voted to cancel the authority of the above company for failure to pay inspections for 2014. However, that same day the Authority received the outstanding inspection fees. IBasis is current on their inspection fees at this time and in light of the fact that these funds were received virtually simultaneously with the Authority's decision the Compliance Division recommends that the Directors reconsider the decision to cancel this company's authority.
