Re: Docket No. 09-00183

Dear Chairman Kyle:

As explained in my letter dated February 5, 2010, Chattanooga Gas Company ("Company") is filing in the above referenced docket a CD that contains confidential excel files for DPY Exhibit 7 which is being provided in response to Discovery Request No. 2 of the First Round of Discovery Requests of the Consumer Advocate and Protection Division of the Office of Attorney General. As this CD contains confidential proprietary information, the Company is submitting this CD under seal in good faith reliance on the entry of the TRA's standard protective order as proposed by the Company.

Please do not hesitate to contact me if you have any questions or concerns.

Sincerely,

  
Jennifer L. Brundige
