RE: Response to Request for Records – TRA Docket 09-00183

Dear Mr. Broemel:

Enclosed please find an additional response to Request 4 you previously submitted pursuant to Tenn. Code Ann. § 65-4-118(b)(2) in TRA Docket No. 09-00183. Our provision of the requested information should not be construed as an acknowledgment that such reports are subject to the Tennessee Public Records Act.

Request 4. Enclosed on CD-ROM is this year's information regarding the AUA mechanism. Chattanooga Gas Company apparently provided the Consumer Advocate with a copy of this information as well.

A copy of this letter is being sent to all counsel of record in Docket 09-00183. The Consumer Advocate should provide a copy of the responses to any party in this docket upon request. However, because the responses contain confidential information, all parties are reminded that they are bound by and must act in accordance with the Protective Order entered by the Hearing Officer in TRA Docket No. 09-00183. If you have any questions, please do not hesitate to contact me.

Sincerely,

Jean A. Stone
General Counsel
