To the Hearing Officer: the attorneys in the Consumer Advocate Division are going to Atlanta to meet with CGC/AGL on Monday August 5 and returning August 6. Therefore, we will be unavailable on the 6th for the prehearing conference in 09-00183. I have contacted Mr. Luna and he is agreeable to rescheduling. I attempted to contact Ms. Smith-Ashford to see about her position but have been unable to reach her. Therefore, I am sending this email; if the conference is rescheduled we will, of course, discuss dates for rescheduling.

Monica: the entire Consumer Advocate office is out on August 5-6 for a visit to CGC in Atlanta. I have spoken to J.W. and he is ok with rescheduling; he only asks that nothing be put on for September 18-21. I have something on August 14 at 2, and am out August 30 and September 3. Do you have any problem with us contacting the Hearing Officer re rescheduling? .

CGC has no conflict.

It would be helpful though to have a telephone call-in opportunity available for Archie Hickerson and perhaps others to more easily participate. Counsel will be present in person.

Attorneys of Record:

The Authority Conference scheduled at 9:00 a.m. on August 6, 2013 has been cancelled. Although the Authority Conference will no longer be held, so long as the parties are/will be prepared, the Status Conference may still move forward that day as anticipated. Therefore, unless the parties have a conflict or concern, I will re-notice the Status Conference for 10:00 a.m. CDT on August 6, 2013.

Thank you.
