RE: *Application of Intelepeer, Inc. for Certificate to Provide Facilities-Based and Resold Competing Local Telecommunications Services and Facilities-Based and Resold Interexchange Telecommunications Services in Tennessee, Docket No. 09-00201*

Dear Mr. Welch:

On December 21, 2009, the above-referenced application of Intelepeer, Inc. was filed with the Tennessee Regulatory Authority. On February 1, 2010, TRA Staff issued a data request to the company. On February 26, 2010, the TRA received the company's response, however, the required surety bond or letter of credit for \$20,000 was not included. There have been no additional filings in the docket file since that time.

Inasmuch as there has been no activity in Docket No. 09-00201 for some time, in order for the docket to remain open, Intelepeer is required to file the documentation noted above by the close of business on **April 16, 2010**. In the event that the company is unable to produce the documentation by the deadline noted and does not file a detailed status report that includes a reasonable and timely date certain for compliance, this letter hereby serves as notice that the docket will be administratively closed. If you have any questions, please feel free to contact Lisa Foust at (615) 741-2904 extension 220.

Sincerely,

  
Kelly Cashman-Grams
