UNOPPOSED MOTION FOR EXTENSION OF TIME

In regard to the above-captioned complaints, counsel for Respondents have requested, and counsel for AT&T has no objection to, an extension of time of three additional days for the filing of responsive pleadings to these Complaints and responses to the pending Motion for Consolidation. The reason for the request is to allow the attorneys for the Respondents to coordinate their response to the Motion for Consolidation. Therefore, Respondents, without objection by AT&T, request an extension of time, to February 25, 2010 to file their Answer and Response to the Motion.

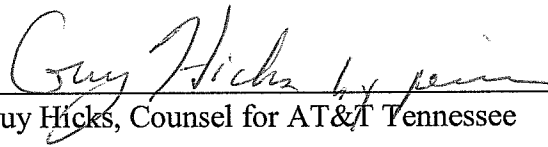

Respectfully submitted,

Henry Walker, counsel for Freedom
Communications, Angles Communications, New
Phone, and dPi

Don Baltimore, Counsel for Budget Phone

Guy Hicks, Counsel for AT&T Tennessee
