Re: *BellSouth Telecommunications, Inc. dba AT&T Southeast dba AT&T
Tennessee vs. Tennessee Telephone Service, LLC dba Freedom
Communications, LLC, dba Freedom Communications USA, LLC*
Docket No. 10-00005

Dear Chairman Freeman:

In accordance with the request of the Hearing Officer, we are filing a copy of the Memorandum of Understanding between the AT&T Tennessee and Freedom Communications which was recently filed in Docket 10-00138.

A copy is being provided to counsel of record.

Very truly yours,

Guy M. Hicks

VIA HAND DELIVERY

Hon. Rebecca Montgomery, Hearing Officer
Tennessee Regulatory Authority
460 James Robertson Parkway
Nashville, TN 37238

Re: *Complaint of Tennessee Telephone dba Freedom Communications Against
AT&T Tennessee*
Docket No. 10-00138

Dear Hearing Officer Montgomery,

Enclosed for filing in this docket is a copy of a regional *Memorandum of Understanding* ("MOU") that has been executed on behalf of both Tennessee Telephone Service, LLC dba Freedom Communications, LLC, dba Freedom Communications USA, LLC ("Freedom") and BellSouth Telecommunications, Inc. dba AT&T ("AT&T"). The parties are providing this MOU for filing in this docket both because it moots the pending request for emergency relief on behalf of Freedom and because the parties have provided that disputes arising under this MOU may be brought to the TRA for resolution. Therefore, although the request for emergency relief is now moot, Freedom asks that this docket remain open for the purposes described in paragraph 8, and AT&T does not object to that request.

Counsel for Freedom has authorized AT&T to file this letter on behalf of Freedom and is being provided a copy of this filing.

Very truly yours,

Joelle Phillips

MEMORANDUM OF UNDERSTANDING

Tennessee Telephone Service, Inc. d/b/a Freedom Communications ("Freedom") and BellSouth Telecommunications, Inc. d/b/a/ AT&T ("AT&T") (hereinafter sometimes together referred to as the "parties") enter into this Memorandum of Understanding ("MOU") to address the issues raised in the demand letters issued on or about June 18, 2010 by AT&T to Freedom for the nine-state area where Freedom operates (the nine states of the former BellSouth region) (the "June 18 demand letters"). In the June 18 demand letters, AT&T demanded payment of overdue amounts totaling approximately \$2.9 million, and said that if Freedom failed to timely pay, AT&T would take action permitted by Section 1.5, et seq., Attachment 7 (Billing) of the Interconnection Agreement between the parties (the "ICA"), including suspension, discontinuance and/or termination. Pursuant to the June 18 demand letters and the ICA, AT&T has suspended order processing for Freedom in Alabama, Florida, Georgia, Kentucky, and Mississippi. To restore order processing and avoid termination, the parties agree to this MOU, under the following terms and conditions:

1. Freedom will increase its regional security deposit to \$600,000 by 2:00 pm Central Time on Monday, July 26, 2010. Freedom will then make additional increases to that deposit of approximately \$225,000, on the 15th day of each of the next 4 months beginning with August 15, 2010, until the total deposit for the 9-state region would be \$1,500,000 (the amount above \$600,000 is the "increased deposit"). This "increased deposit" would not be included within the calculation of whether Freedom has deposited two months' estimated billings, the maximum amount permitted by the ICA. Notwithstanding any provisions of the ICA, the parties agree to maintain this "increased deposit" until they mutually agree that it is no longer needed or until AT&T's complaints filed against Freedom in January, 2010, before the commissions in each

of Louisiana, Mississippi, Georgia, Tennessee, Alabama and South Carolina have been finally resolved through final appeal or settlement.

2. Freedom agrees to pay the billed amount of new charges on its bills in full by the bill due date – with no offsets of any kind – in all nine states for bills rendered on or after July 1, 2010.

3. Within one (1) business day after Freedom increases its security deposit to \$600,000 as required by paragraph 1 hereof, then AT&T will restore Freedom's order processing in Alabama, Florida, Georgia, Kentucky, and Mississippi. In the event Freedom fails to timely perform any of the requirements imposed by paragraphs 1 and 2 hereof, then AT&T will be entitled to suspend order processing immediately and/or terminate service with five (5) business days' notice to Freedom. AT&T will not suspend or terminate anywhere in the 9-state region, so long as all requirements imposed on Freedom by this MOU are timely met and Freedom complies with its other obligations under the ICA.

4. The parties further agree that Freedom, or its billing agent, will prepare and provide to AT&T a detailed written explanation of all pending requests for promotional credits that Freedom believes have been submitted to AT&T. Freedom will provide such information to AT&T no later than 5:00 pm Central Time on July 23, 2010. AT&T will review such materials and will be available for a meeting or conference call to discuss that information within seven (7) business days following receipt of this information. If, following that review, the parties agree that Freedom is entitled to additional credits on services provided by AT&T before July 1, 2010, those credits will be applied, first, to the past due amounts claimed by AT&T and, second, to any other amounts claimed by AT&T, including future bills. Credits claimed by Freedom for services provided by AT&T on or after July 1, 2010 may be applied to Freedom's past due amounts but will in no way decrease the amount of deposit required by this MOU.

5. The parties agree that the total deposit requirement imposed by paragraph 1 hereof is intended to constitute approximately 50% of the past due amounts claimed by AT&T. To the extent that the past due amount is reduced through the application of additional credits for services provided by AT&T before July 1, 2010, the total deposit will be reduced accordingly, but in no event shall the deposit be reduced below \$600,000. To the extent the amount that AT&T contends to be past due grows as a result of any change in the payment requirements of an approved interconnection agreement, the parties agree that the deposit will be increased to maintain a deposit of 50% of the amount AT&T contends to be past due.

6. The parties agree that, prospectively, the parties intend that AT&T will have a reasonable time to evaluate and determine the merits of claims and disputes submitted by Freedom, especially if the claims and disputes raise new issues not previously addressed by AT&T. The parties also acknowledge that Freedom is entitled to receive within a reasonable time all credits to which it is legally entitled, especially if the claim or dispute submitted by Freedom is similar to claims or disputes which AT&T has granted in the past. Unless the parties agree otherwise, with respect to claims for promotional credits and billing disputes submitted by Freedom to AT&T within sixty days of the date of the bill for which the promotional credit or amount disputed was billed, AT&T will use good faith effort to process and either grant (*i.e.*, Freedom is given a credit on its bill) or deny (*i.e.*, AT&T provides a written explanation demonstrating good cause why no credit is allowed) such claims and disputes within ninety (90) days of the date the claim or dispute is received by AT&T. Notwithstanding anything in this paragraph to the contrary, if the promotion for which Freedom claims a credit or a dispute requires the retail customer to remain with AT&T for a period of time before becoming eligible for the promotion ("in service" requirement), Freedom's claim for a promotional credit will not be deemed to have been filed until that "in service" period has run.

7. This MOU is not intended to in any way alter Freedom's contractual obligations to pay for services provided by AT&T pursuant to the ICA and does not impact in any way Freedom's obligation to pay the past due amount following the outcome of the pending commission proceedings.

8. The parties agree that this MOU reflects the parties' intent and does not necessarily address all of the circumstances which may arise while this agreement is in effect. The parties therefore agree that this MOU will be filed with the Tennessee Regulatory Authority and that either party may seek assistance or, if necessary, relief from the Commission concerning the implementation and/or amendment of any provision of this MOU to implement the parties' intent.

9. Within one (1) business day following entry of this MOU, Freedom shall withdraw all motions seeking emergency relief or other protection from suspension or termination that it filed in connection with the June 18 demand letters.

10. The parties further agree that, notwithstanding any order of any commission issued as of this date or in response to any of Freedom's pending motions seeking emergency relief, in the event that Freedom fails to comply with the terms of this MOU, then Freedom waives the protection of any such order with regard to suspension or termination of service.
