Dear Ms. Stone:

By letter dated September 7, 2012, AT&T Tennessee filed a certificate of service to inform the Authority that it had served a copy of that letter, the Authority's letter of July 24, 2012, and the AT&T's Motion for Order Finding BLC Management dba Angles Communications Solutions Liable for \$15,894,723, Dismissing Counterclaims and Closing Docket (collectively, "the Motion Documents") on BLC and its principal, Mr. Biddix, by both regular and certified mail, at each address BLC and/or Mr. Biddix has used when corresponding with us in the recent past.

Enclosed for filing in this Docket are copies of two return receipts confirming receipt by BLC Management of the Motion Documents. These return receipts reflect that service of the Motion Documents was effect on both BLC's registered agent and on BLC at its post office box in Melbourne, Florida on September 11, 2012.

Very truly yours,
