Re: Complaint by Walden's Ridge Utility District against Tennessee-American Water
Company
Docket No. 10-00014

Dear Richard:

I am writing you in response to your letter to A. W. Turner, Jr. and me about how best to proceed in the above-captioned matter. I have spoken with Mr. Turner, and he and I agree that there really are no facts in dispute. Therefore, we have agreed to proceed by filing a Joint Stipulation with the Authority and having oral argument before the Directors for a decision on the merits of this complaint proceeding.

We will be submitting a Joint Stipulation to the Authority within the next few days. Thank you for your assistance in this matter.

Sincerely yours,

DONALD L. SCHOLES
