Jerry, the assets will be pledged to provide additional security for Global Tel*Link debt financing that was recently approved by the commission. One of the reasons the financing was done was to fund this transaction. Please let me know if you need anything further. Thx.

Subject: TRA Docket No. 10-00053 DSI/ITI Transfer - A question

Lance - I'm finishing up my advisory work on the DSI-ITI transfer docket and wanted an issue clarified. The Application requests approval for DSI to pledge its assets. For what purpose does DSI need to pledge its assets? Is the asset pledge to provide security for the indebtedness of any of DSI's parent companies or ITI's debt? I reviewed the Asset Purchase

Agreement but did not find the answer to my question in the document.
Thanks,
