RE: *Petition of Knology, Inc. and Knology of Knoxville, Inc. to Establish Terms
and Conditions of Public, Educational, and Governmental Channel Access
with Comcast Cable, TRA Docket No. 10-00059*

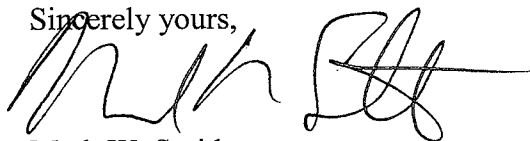

Dear General Collier:

In response to your letter dated August 10, 2010, I am writing to report that counsel for Comcast Cable has furnished Knology with a draft agreement under which the requested PEG channel access would be provided. With a modest extension of time, it seems possible that a mutually agreeable settlement can be reached.

To allow those discussions to continue, the parties request an extension of both dates as set forth in your August 10, 2010 letter. If granted, the parties will file a written statement with the Authority no later than August 30, 2010 advising of the status of the negotiations with respect to this matter. In the event the issues raised in the *Petition* are not resolved, Comcast will file a detailed response to the *Petition* on or before September 10, 2010.

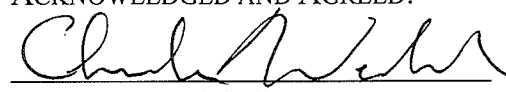

We would appreciate your consideration of this request.

Sincerely yours,

Mark W. Smith

ACKNOWLEDGED AND AGREED:

Charles B. Welch, Jr.
Counsel for Comcast Cable
