RE: *Petition of Knology, Inc. and Knology of Knoxville, Inc. to Establish Terms and Conditions of Public, Educational, and Governmental Channel Access with Comcast Cable, TRA Docket No. 10-00059*

Dear Mr. Smith and Mr. Welch:

This letter will acknowledge receipt of the e-mail from Mark Smith and telephone conversation with Chuck Welch on October 5, 2010 in which the parties indicated that they are continuing to work toward the finalization and execution of a settlement agreement. Because of the additional time needed to complete the settlement documentation, the parties request that further activity in this docket be placed on hold. The agency will be notified in the event that a settlement is not finalized and this matter needs to proceed as filed. Due to the request for an indefinite extension, the parties are requested to provide a letter on **November 1, 2010** detailing the status of finalizing the settlement, if a settlement agreement has not been filed by that date.

Thank you for your cooperation in this regard.

Very truly yours,

J. Richard Collier
General Counsel
