RE: *Petition of Knology, Inc. and Knology of Knoxville, Inc. to Establish Terms and Conditions of Public, Educational, and Governmental Channel Access with Comcast Cable*, TRA Docket No. 10-00059

Dear General Collier:

Since the November 1, 2010 status report from Chuck Welch, Comcast has delivered a written agreement for Knology's review and approval. I am advised that the terms of the agreement appear acceptable to Knology, and Knology is in the process of gathering technical information necessary to finalize the agreement from its standpoint. I have conferred with Mr. Welch and with my client, and we understand that the parties expect to have a fully executed agreement on or before December 1, 2010.

Mr. Welch and I hope to have an order of dismissal for your review on or before December 1, 2010, but in the event that does not occur, we will provide our next update by 2:00 p.m. on December 1.

We appreciate your continued patience. Please let us know if you need anything further.

Sincerely yours,

Mark W. Smith
