RE: *Petition of Knology, Inc. and Knology of Knoxville, Inc. to Establish Terms and Conditions of Public, Educational, and Governmental Channel Access with Comcast Cable*, TRA Docket No. 10-00059

Dear General Collier:

I am writing to confirm that the parties have reached agreement on the specific PEG access matters raised in the Petition. Accordingly, the Knology entities believe that it would be appropriate to voluntarily dismiss the Petition. The Knology entities do not in any way waive or limit their rights to subsequently bring PEG access matters before the TRA for resolution, should such matters arise.

I have conferred with Chuck Welch, counsel for Comcast, and we agree that the referenced docket can now be closed.

Please let us know if you need anything further.

Sincerely yours,
