**REQUEST FOR POSTPONEMENT OF CONSIDERATION OF THE PETITION UNTIL
THE AUTHORITY'S FIRST CONFERENCE IN JUNE**

Nexus Communications respectfully requests that its Petition, now scheduled to be heard during the Authority's agenda conference on May 24, 2010, be postponed until the next regularly scheduled agenda conference.

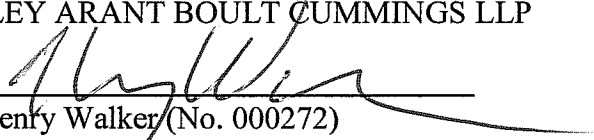

As the Authority is aware, Nexus is continuing to try to resolve the issues described in the Petition. In the interim, Nexus has decided to continue subsidizing – using the company's own funds – wireless service to Lifeline subscribers in Tennessee. In light of these ongoing developments, Nexus asks the Authority to delay for two weeks consideration of Nexus' request for relief until the next agenda conference on Monday, June 7, 2010.¹

¹ Nexus is the only party to this proceeding. The Consumer Advocate and Protection Division of the Office of the Attorney General has expressed an interest in the case (see letter of May 18, 2010) but has not at this time filed a petition to intervene. Nexus has contacted counsel for the CAPD, Mr. Vance Broemel, who stated that his office had no objection to this request.

Respectfully submitted,

BARDLEY ARANT BOULT CUMMINGS LLP
