Re: Docket No. 10-00083

Dear Chairman Kyle:

I am writing you and the other Directors of the Tennessee Regulatory Authority after reading your letter dated April 29, 2010 regarding Nexus Communications and after meeting with the President of Nexus, Mr. Steven Fenker, and the Company's Mr. Chuck Welch.

Many Nashvillians have contacted my office and are deeply concerned that their telephone service provided by Nexus may be in jeopardy. Although this matter involves complex legal issues and federal regulations over which the TRA has no authority, I would ask on behalf of my constituents that the TRA do everything that appropriately can be done to resolve this matter and protect Tennessee consumers.

Sincerely,

A handwritten signature in cursive script that reads "Brenda Gilmore".
