**Re: Petition of IRM Utility, Inc. to amend its CCN to serve an area in
Sevier County, Tennessee known as Cove Creek Resort**

Dear Chairman Kyle:

Integrated Resource Management, Inc. d/b/a IRM Utility, Inc. desires to expand its service area to include a portion of Sevier County, Tennessee, known as Cove Creek Resort.

To assist the Tennessee Regulatory Authority with its review, I would like to submit that the design capacity of the system at Cove Creek Resort is .017385 million gallons per day. This equates to a flow capacity of 17,375 gallons per day. This capacity may be verified in State Operating Permit No. SOP-08013.

Thank you for your prompt attention to this matter. Please do not hesitate to contact me at (615) 726-1200 with any questions or concerns.

Sincerely,

FARRIS MATHEWS BOBANGO, PLC
