Wastewater Utility Service

COMMERCIAL RATE (WITHOUT FOOD SERVICE)

The sewer bill will be charged on a monthly basis. The customer will provide a system that has an expected design flow and quality characteristics. Special conditions such as high treatment requirement or high flows may make other systems than addressed in this tariff necessary. IRM Utility, Inc. will need to petition for rates on a case by case basis for such systems.

A minimum service charge will be \$75.00 per month for the first 300 gallons per day of design flow expected. For each additional 100 gallons per day, up to 1,000 gallons per day, an additional charge of \$15.00 per month per 100 gallons will be charged. For design flows expected over 1,000 gallons per day, up to 3,000 gallons per day, the following additional monthly charges per 1,000 gallons of daily flow will apply:

Treatment	Disposal		
	Sub-surface Drip Irrigation	Point Discharge	Off-Site
Sand, Gravel, Media Filters	\$140.00	\$165.00	-
Lagoon	\$116.00	\$140.00	-
Off-site	-	-	Pass-through & \$73.00

For design daily flows over 3,000 gallons, the monthly charge on all system configurations will be \$116.00 per 1000 gallons of daily flow.

Additional surcharges will apply when customers exceed their expected design flows. For any month that a customer's water meter reading exceeds the expected design flow, the following surcharges will apply:

Excess Water Usage	Surcharge
1 gallon to 1,000 gallons above expected design flow	\$175.00
1,001 gallons to 2,000 gallons above expected design flow	\$200.00
Over 2,000 gallons above expected design flow	\$200.00/1000 gals

If the water meter readings exceed the design flow or analysis indicates that effluent characteristics are not as indicated by the customer's design engineer, the monthly charge will be revised to reflect the increased usage and any capital costs associated with increasing the capacity of the system or upgrading the treatment for the greater loading will be paid by the customer.

Effective October 22, 2007, 29% of the billed rate from all Commercial customers, including special contract customers, will be placed in the Company's escrow account pursuant to order of the TRA in Docket No. 07-00061.

Fees: Nonpayment - 5% Disconnection - \$10.00 Reconnection - \$15.00 Returned Check - \$20.00.
