RE: Application for State-issued Certificate of Franchise Authority  
Docket No. 10-00129

## NOTICE OF INCOMPLETE APPLICATION

Dear Ms. Talley:

On June 30, 2010, the Tennessee Regulatory Authority ("Authority") received your application for a state-issued certificate of franchise authority ("franchise"), filed on behalf of Twin Lakes Communications, Inc. ("TLCI"), pursuant to Tenn. Code Ann. § 7-59-301, *et seq.* Upon further review, the Authority has determined that additional information is necessary before it may issue a franchise.

The Authority respectfully requests that TLCI file, in this docket, all information that it would like the Authority to consider in making a determination of managerial, financial, and technical qualification to provide cable service. In addition, as set forth in Tenn. Code Ann. 7-59-305(d)(2), please submit TLCI's plan to comply with the requirements of §7-59-311 concerning deployment of services. As further provided by statute, the § 311 plan is confidential and not subject to open records laws. Therefore, the Authority reminds TLCI to take appropriate steps in filing its plan to maintain and ensure confidentiality.

Please submit the information requested, noting Docket No. 10-00129 clearly on each document, to the Tennessee Regulatory Authority, ATTN: Docket Room, 460 James Robertson Parkway, Nashville, TN 37243. Should you have any questions or concerns in this matter, please contact me at (615) 741-2904 x208 or address listed above. Thank you for your interest and cooperation.
