RE: *Complaint of Everycall Communications Against AT&T Tennessee and Motion  
for Emergency Relief to Prevent Disruption of Service,  
TRA Docket No. 10-00132*

Dear Attorneys of Record:

On July 6, 2010, Everycall Communications ("Everycall") filed a petition in the above-referenced docket file requesting that the Tennessee Regulatory Authority ("Authority") take action to prevent the discontinuation or termination of service pending resolution of certain other cases involving AT&T Tennessee. Thereafter, on July 13, 2010, the Authority received notice that Everycall had filed a petition for Chapter 11 bankruptcy in the United States Bankruptcy Court for the Middle District of Louisiana (No. 10-11054).

Since the Authority's notice of Everycall's bankruptcy petition, there has been no action taken on this matter. Inasmuch as the docket file has been inactive for well over a year, please advise the Authority of the current status of Everycall's bankruptcy proceeding and any reason why this docket should remain open. Please respond within ten (10) days of the date of this correspondence.

Sincerely,

Kelly Cashman Grams  
Hearing Officer
