MULTIPLE LINE BUSINESS CUSTOMERS

1. Discounts¹

(T)

The Telephone Company may offer a 10% discount for a 1-year contract, a 20% discount for a 2-year contract, and a 25% discount for a 3-year contract on Key System, PBX service, and DID Trunks to business customers who subscribe to 3 or more access lines in any combination of B1, Key, PBX, and DID Trunk services.

2. Termination Liability

If the service is canceled by the Customer after installation of the service, but prior to the completion of the term of the Agreement, the Customer shall be obligated to pay a termination liability charge. Customer will be retroactively billed for such termination charge as if Customer had initially ordered the service at the most recently expired term offered for such Service. Customer's account will be accordingly adjusted to reflect the higher Service Charge rate applicable to such shorter term. Termination charges may not apply, however, if the Customer replaces the service with a new contract whose term is equal to or greater than the original contract period.

¹ Multi-Line Business customers who sign a 1, 2, or 3 Year contract will also receive a credit of \$5.75 per month, pursuant to Tennessee Code 67-6-222.
