RE: Tariff No. 2010-00166 (Docket No. 10-00136)

Dear Ms. Fulton:

Enclosed are an original and four copies of revisions to the CenturyTel Acquisition LLC d/b/a CenturyLink Acquisition's T.R.A. Tariff No. 1. The purpose of this filing is to adjust the property tax credits pursuant to Tenn. Code Ann. 67-6-222.

On August 9, 2010, the originally submitted tariff page was filed with a draft stamp subject to revision with a proposed effective date of October 1, 2010.

The purpose of this submission is to replace that tariff page with the following which removes the draft stamp, allowing the page to become Public Record and makes administrative changes. Thusly, this tariff page can be merged into the tariff on file with the TRA. The Company respectfully requests that this revision become effective October 1, 2010.

Exchange Access Service

EXCHANGE ACCESS SERVICE (Cont'd)

5.2 Basic Line Service*

Basic Line Service provides a Customer with a single, voice-grade telephonic communications channel that can be used to place or receive one call at a time. Basic Lines are provided for connection of Customer-provided single station sets or facsimile machines to the public switched telecommunications network. Each Basic Line may be configured into a hunt group with other Company-provided Basic Lines. Each Basic Line is provided with the standard Touch Tone feature which can be deleted at the Customer's option. Additional features are available:

	<u>Monthly Recurring</u>
Call Waiting	\$3.00
Call Forwarding	\$3.00
Three Way Conference Calling	\$3.00

Non-recurring and monthly recurring rates per Basic Line apply as follows:

Monthly Recurring:
