Ms. Cormier,

Thank you for sharing your opinion regarding the application before the TRA for sewer service for Stonebridge. This matter is set for hearing on August 22. I will place a copy of your email in the docket file so it can be given appropriate consideration.

You can contact my office on August 23 to find out the decision in this case.

Thank you for contacting the TRA.

Eddie Roberson, Ph.D.

I understand there is a hearing on August 22nd regarding approving a permit for sewer system approval for us folks at Stonebridge. I am unable to attend this hearing but rest assured that all of us expect this to be passed. Otherwise, our future home in Tennessee is worthless property and it means that we have been swindled out of thousands of dollars by the developer, with the help of the county. We need you to represent us in this plight.

Regards

Terry Cormier

Chairman Roberson,

My wife and I own a lot (# 94) in the Stonebridge development on Douglas Lake near Dandridge, TN. As you may be aware, the Stonebridge property owners have had difficulty with the developer proceeding with installation of the sewer system. It is our understanding that the Tennessee Regulatory Agency will hold a hearing in Nashville on August 22 for the purpose of assigning a CCN # to Aqua Green Utility. Issuance of the CCN # is a critically important step for us to be able to move forward with the sewer system. On behalf of the many property owners in Stonebridge, we appreciate your help in getting this assigned to Aqua Green so that work may proceed.

Thanks for your consideration.
