Mr. Crowe,

Thank you for sharing your opinion regarding the application before the TRA for sewer service for Stonebridge. This matter is set for hearing on August 22. I will place a copy of your email in the docket file so it can be given appropriate consideration.

You can contact my office on August 23 to find out the decision in this case.

Thank you for contacting the TRA.

I am a property owner in the Stonebridge developement at Lake Douglas, in Dandridge, Tn. I bought the property 3 yrs ago in good standing that the county and state had gave the developer the thumbs up to start builing. Since the buy of the property we have not been able to do anything because of the sewer situation. We as property owners bought with good intentions to build or sell, but without the sewer system in place, our property is useless. I feel that the county and state should be able to get something done about this as quick as possible in order for we as the property owners to be able to proceed with building on this property.

We need the approval of the CCN# so that Aquagreen may resume work on our sewer system. We do need this to be resolved as soon as possible.

Thanks for your time in this matter and hope you will get started on this matter and get it resolved

Sincerely
Josh Crowe
